Sue, and Victor Hugo.

PEEL'S LONDON GREEN GINGER WINE.

M ANCHACTURED FROM PRENCH GRAPES. JAMAICA GINGER, SEVILLE ORANGES, c.-This delicious beverage becomes the greatest favorite wherever it is introduced. It is equally palatable, more wholesome, and not half the price of their foreign wines. Many physicians use it exclusively, and recommend it to all troubled with Flatulency, Pyspepsia, Debility, Cramps, Diarrhora and Dysentery. Persons subject to Chills, or living in districts where Ague prevails, find its occasional use a pleasant, and admirable preventive. Mixed with a little cold water, it forms the most refreshing and wholesome cooling drink in warm weather that can be taken.

Price 50 cts per bottle, \$5 per dozen.

### CARTER'S SPANISH MIXTURE

The Great Purifer of the Blood! Not a Particle of Mercury in it. AN INVALLIBLE REMEDY for Serofula, King's Evil, Rheu-

matism, Obstinute Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Chronic Sore Hyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Oleers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious

UHIS valuable Medicine, which has become cole-brated for the number of extraordinary cures ected through its agency, has induced the proprieors, at the urgent request of their friends, to offer it the public, which they do with the uticost confience in its virtues and wonderful curative properies. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gen-tlemen well known in their localities, and of the high-istrespectability, many of them residing in the city of

P. BOYDEN, Esq., of the Exchange Hetel, Rich aond, known everywhere, says he has seen the Medi-dae called Carran's Spanish Mizrum, administered nover a hundred cases, in nearly all the diseases for hich itis recommended, with the most astonishingly od results. Hesays it is the most extraordinary edicine he has ever seen.

AGUE AND PRVER-GRHAT CURR.-I hereby estify that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, hereury, and I believe all the Tonics advertised, but all without permanent relief. At last I tried Carter's Spanish history, two bottles of which effectually cured me, and I am happy to say I have had neither Chills or orld, and the only medicine that ever reached any Beaver Dam, near Richmond Va.

O. B. LUCK, Req., now in the city of Richmond ad for many years in the Post Office, has such confince in the astonishing efficacy of Carter's Spanish ixture, that he has bought upwards of 68 bottles, hich he has given away to the afflicted. Mr. Luck ys he has never known it to fail when taken accord-

Dr. MINGE, a practising Physician, and formerly the City Hotel, in the city of Richmond, says he witnessed in a number of instances the effects of rter's Spanish Mixture, which were most truly sursing. He says in a case of Consumption, dependent the Liver, the good effects were wonderful indeed. SAMUEL M. DRINKER, of the firm of Drinker & rris, Richmond, was cured of Liver Complaint of 8 are standing, by the use of two bottles of Carter's

REAT CURE OF SCROFULA.-The Editors of a Richmond Republican had a servant employed in ir press room, cured of violent Scrofuls, combined th Rheumatism, which entirely disabled him from rk. Two bottles of Carter's Spanish Mixture made erfect cure of him, and the Editors, in a public nosay they "cheerfully recommend it to all who are licted with any disease of the blood."

TILL ANOTHER OURS OF SCHOFULA .-- I had very valuable boy oured of Scrofula by Carter's licine. JAMES M. TAYLOR, Conductor on the F. & P. R. R. Co., Richmond, Va. LT RHEUM OF TWENTY YEARS STANDING

CURED. Mr. JOHN THOMPSON, residing in the city hmond, was cured by three battles of Carter's anish Mixture, of Salt Rheum, which he had arly twenty years, and which all the physicians the city could not cure. Mr. Thompson is a well

own merchant in the city of Richmond, Vs., and oure is most remarkable. WM. A. MATTHEWS, of Richmond, had a serat cured of Syphilis, in the worst form, by Car'3 Spanish Mixture. He says he cheerfully remends it, and considers it an invaluable medi-

DWIN BURTON, commissioner of the revenue 3 he has seen the good effects of Carter's Spanish turein a number of Syphilitic cases, and says it perfect cure for that horrible disease.

VM. G. HARWOOD, of Richmond, cured of old k a few bottles of Carter's Spanish Mixture, and enabled to walk without a crutch, in a short e permanently cured. rincipal Depots at M. WARD, OLOME & CO., No.

With all diseases of the STOMACE and BOWELS, so prevalent during the Summer releved and cured by HAMPTON'S VEGETABLE TINCTURE. In act it will be found that those wing this article have an almost examption from this diseases. Every family should have a Bottle at hand for SUDDEN ATTACK.

Delicate children, all Individuals, and Travellers for health, should try this great Restorative—its praise is spoken by thousands. As a Female Medicine HAMPTON'S TINCTURE cannot be excelled. As a beautifying agent it is far superior to any of the connetice of the day, producing a beautiful, clear skin, and giving to the cheeks the color of the rose, imparting to every muscle that life and elasticity which gives to all who enjoy health, such grace and beauty.

ly restored by the use of HAMPTOM'S VEGETABLE TINC TURE."

Extract from a letter from J. Grimes, Esq., Lou-"My wife has been for years afflicted with great weakness, pain in the breast, side, and back, palpitation of the heart, feebleness of the nervous system, loss of appetite, complexion sallow, the sight of one eye almost gone, the other very weak. I am pleased to say that HAMPTON'S TINCTURE has restored her to perfect health. Her eyes are as good

NAVY DEPARTMENT, July 1, 1854. I ROPOSITIONS will be received at this depart ment until the first day of August next, for the complete construction of the steam machinery and appendages, and placing it on board of five auxiliary screw steam frigates, to be at least 255 feet in length, and of 3,000 tons measurement, one of which is building at each of the United States navy yards at Boston, New York, and Philadelphia, and two at

H H McPherson, William T. Evans, Kidwell & Law-rence, J. B. Moore, Washington; J. L. Kidwell, Georgetown; and by all dealers in Alexandria, Vir-Each offer must be for a specific sum, and include all patent fees for any arrangement that may be proposed, and must state the period within which the work can be completed.

The bollers are to be of iron, with telescope chimneys; the propeller, with the connexions for hoisting up, of composition. The fresh water condensers, machinery for hoisting, ventilating, pumps, &c., with appurtenances of all kinds, must be those most approved for morine engines. The tools and suplicate pieces necessary for an efficient cruising

All the wood and carpenter work necessary to adapt the vessel for the reception of the engines, boilers, propellers, &c., will be at the expense of the Navy Department, and it will furnish the usual facilities and labor for hoisting the machinery on

chinery with fuel for ten days' consumption, at the cluding the keel, a length not to exceed 60 feet can be allowed in the body of the ship, including the enire space under the birth deck. The greatest breadth of this space under the beam will be 47 ft., and the height from the timbers to the bottom of the beam 17 feet; the area of the section being 662 square feet. The weight of all the steam machiner, water in

the boilers and coal within the space given, and including the propeller and shaft, with appendages of all kinds and spare pieces, has been estimated at 733 tons of 2,240 pounds, or which 350 tons is for coal. the rudder post may be six feet, if that length is ne cessary for the propeller in a fore and aft direction, the keel under the propeller will be 21 feet. leagth from the mainmast to the stern-post will be about 112 feet. The area of the greatest immersed transversed section to the deep load line will be 865

vill be those of a frigate of the first class, of 1,800 tons measurement. The particular arrangement of the machinery will be left with those whose propositions may be accept ed as combining the greatest number of advantages the desire of the department being to obtain the greatest speed and power with the most economical consumption of fuel, which the space available for

hat purpose will admit. The terms of payment will be as follows: when one-third of the work previded for by the contract shall have been completed to the satisfaction of the department, there shall be a payment of one-fifth of the whole amount of the contract; when two-thirds commenced with your "Hoofand's German Bitters," of the work shall, in like manner, be completed, there shall be a further payment of one fifth . when the ship shall have made a trial trip, satisfactory to use, and I am now entirely free from pain and achhere shall be a further payment of one fifth; and ingly recommend your Bitters to all invalids. when the ship hail have been in possessirn of the department, and performed satisfactorily for six

Each proposal must be accompanied by a guaran ee that the contract, when awarded, will be faithfully performed, and the successful bidders will be equired to enter into security for that purpose i he sum of three-fourths the amount of the contract J. C. DOBBIN.

and barkless supported numberless vultures covered the plain, too gorged to fly at our approach, and hundreds were soaring in circles high over head in the clear sky, marking in the heavens the course of the storm. One poor famished. distracted being, with head bandaged and body scratched all over, bruised and cut, limped up to me; he had lost his relations-father, mother, wife and children-all had been destroyed, and he could not find where they had been carried away. It would require hundreds bamboos, &c., that mark the homesteads of the missing; under them will probably be found those that were killed, while some, probably, had a living grave, hoping alas! in vain-that rescue would come at last, or imagining, possibly, that the whole world had been destroyed. A bungalow of a zemindar, at Dumduma, on the river Ghoghut, was blown in smithers across the river-yards; in the roof two men found a flying passage, and strange to say, survived."-Calcutta Englishman.

A FAITHLESS WIFE-HOW THEY MANrespectable looking young man, named Broadhead, appeared at the Adelaide Police Court on the 4th inst., to procure his runaway wife, for stealing a watch, the property of a person that lodged with him near Melbourne: and a man named William Todd, the paramour of the woman, for stealing a variety of articles the property of the prosecutor. It appeared Todd was a boarder with Mr. Broadhead, who lived at Colling wood, near Melbourne, and there formed an improper intimacy with Mrs. Broadhead, who either accompanied him to Adelaide, or "followed in "Can't help it-don't whine at me : the flight," taking with her nearly all her think I can bury all the poor babies in husband's worldly goods.

They had endeavored to put the injured husband on a false scent, and so send him on a wild-goose chase to Sydney; ing, and freezing, and dying;" and with exercising, followed him unrecognised to an unearthly shriek she burst from the a house in Rosina street, and then, with shop and plunged on, battling with the the assistance of the detectives, succeeded in obtaining all the property of which the worthless pair had plundered him. Mr. Broadhead, in reply to his Worship, said he had no depositions to show that the watch found on his wife was stolen from the owner; and Mrs. Broadhead protested that it was given to her, and that she moving about the wet pavement, but he came alone to Adelaide, and brought all dared judge them not with man's judgthe other things with her.

ment, for he thought of that hollow Under the circumstances, his Worship thought there was no chance to convict Todd, very little use in proceeding against the woman for the watch, and advised Mr. Broadhead, as he had recovered his property, to let the precious pair follow the bent of their virtuous inclinations. The husband consented; and then the lady exhibited a striking sample of Pandemonian modesty. She stepped up to his Worship, and urged with the greatest effrontery her right to her own property. A watch she should have for she got it from a young man, and a ring could not be kept, for a young man made her a present of it, but desired her not to let husband know anything about it. His Worship merely ordered the police to give up her wedding ring; but she no sooner got outside of the court than she threw it away-flung it to the winds, as she had already dissipated the vows of

laide Journal. LOOK BEFORE YOU KICK .- A minister in one of our orthodox churches, while on his way to preach a funeral serman in the country, called to see one of his members, an old widow lady, who lived near the road he was traveling. The old lady had just been making sausages, and she felt proud of them, they were so plump, round and sweet. Of course she insisted on the The following report from a correspon- minister taking some of the links home
